IMPORTANT CLARIFICATION

* Question No. 13 contains duplicate options: both options C and D state the same value (approximately 7.29×10^{-5} s^{-1}). Both options are therefore mathematically equivalent based on the question as supplied. The treatment of this item should be confirmed by the competent examination authority before publication of the final answer key.

Note: This is a preliminary answer key prepared from the question paper provided. It does not constitute a final determination. Any subsequent correction or clarification issued by the competent authority shall take precedence.
